INTERFACE FLOW	2
EVENT CHECK-IN	3
EVENT HOMEPAGE AND UPLOAD	4
UPLOAD CASES	5
MENUS	6

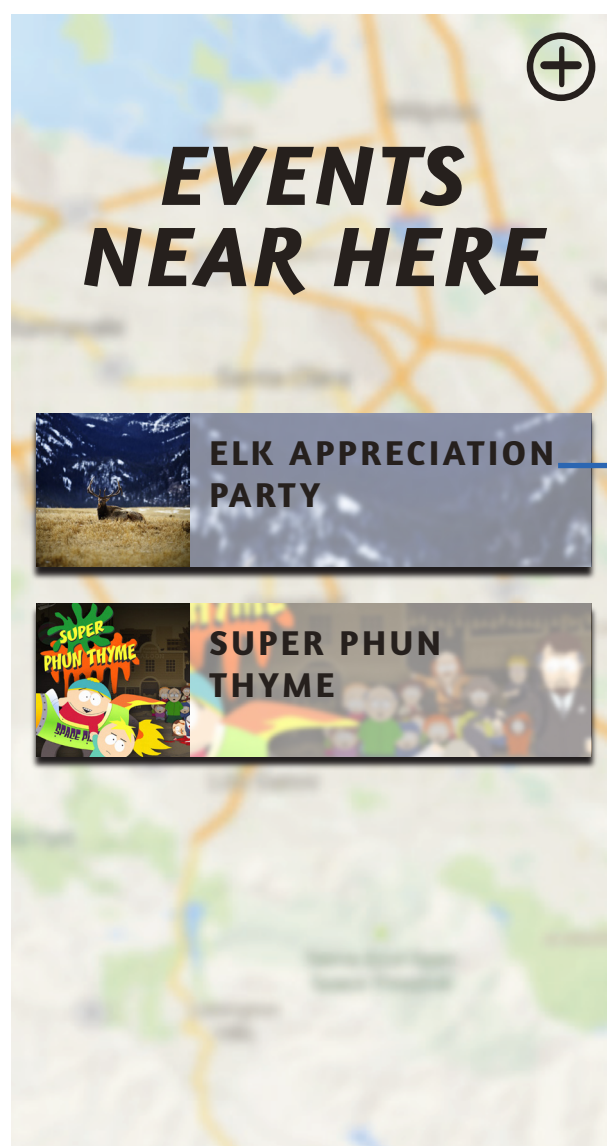

Item 3A: Menu toggle: To FIGURE 6-1

Item 3B: Uses current location as the search query. To FIGURE 3-2.

Item 3C: When tapped, this becomes the input field. User enters query. Enter key triggers search. To FIGURE 3-2.

FIGURE 3-1:  
“FIND AN EVENT”

“Events Near Here”: Lists query results from user input in FIGURE 3-1.

Item 3D: Event list item: Each result features a title and image. The image is used twice: once as the list item background (set to 50% opacity over a #fff background and blurred using CSS blur filter set to 2px) and again as a cropped square.

Tapping an event list item automatically checks a user into the event and goes to FIGURE 4-1.

FIGURE 3-2:  
“EVENTS NEAR  
HERE”

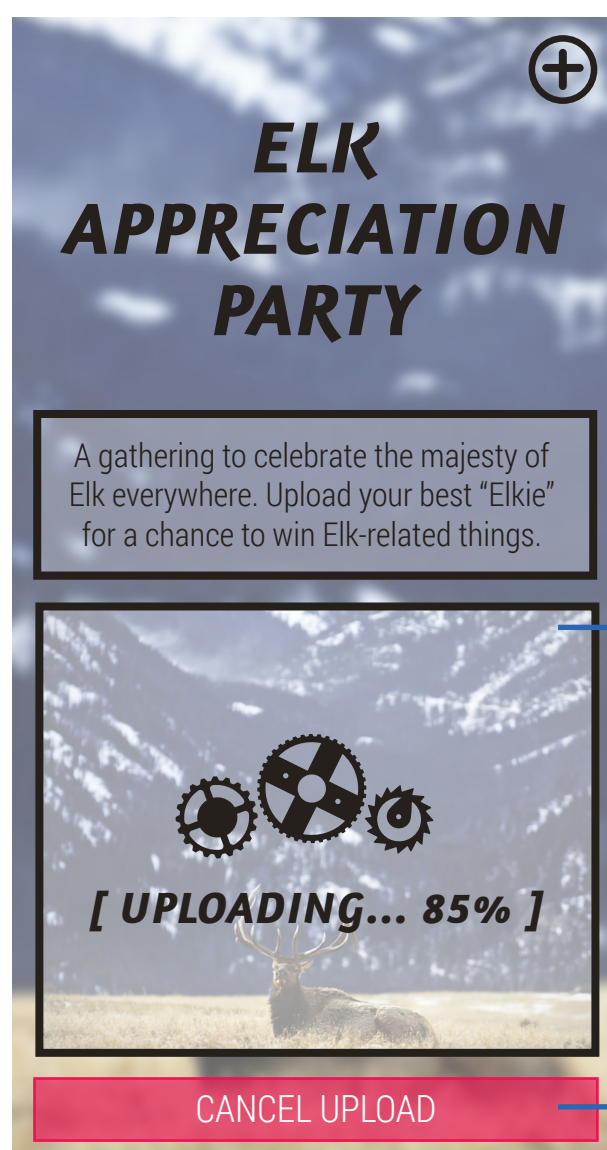

Item 4A: Event Title

Item 4B: Event Background (use background specifications from Item 3D)

Item 4C: Event Description

Item 4D: Upload Button. Utilizes native image choosing options (Browse files or take new photo). To FIGURE 4-2.

FIGURE 4-1:  
EVENT HOMEPAGE

Item 4E: Uploading interface. Gears are rotating (see example on demo.fotam.com when uploading a photo). Displays progress as a percentage. On upload failure or cancel, go to FIGURE 5-1. On upload success, go to FIGURE 5-2.

Item 4E: Cancel Button: Cancels the upload. to FIGURE 5-1.

FIGURE 4-2:  
UPLOADING

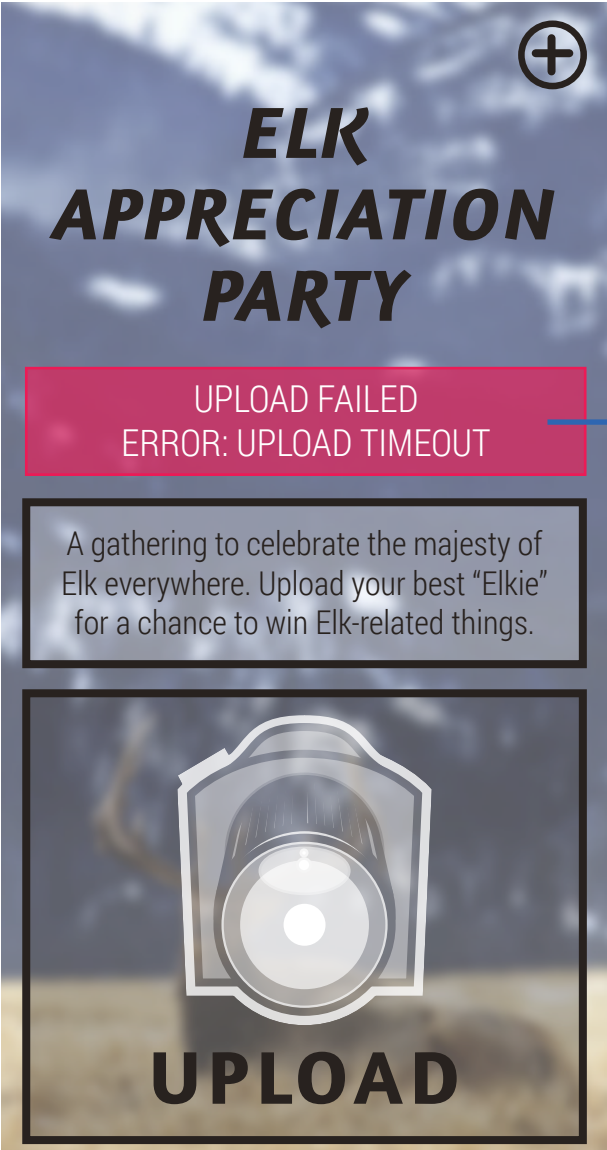

FIGURE 5-1:  
 UPLOAD FAILURE

Item 5A: Failure Message. Will output error message or, if the upload was cancelled by the user, will output "Upload Cancelled".

Item 5B: Success Message. Present on this page only after initial upload. This page also serves as the share landing page for this photo.

Item 5G: Event Overlay. Starts at bottom left of photo.

Item 5C: User metadata.

Item 5D: Social Media reporting.

Item 5E: Share button.

Item 5F: Share options. Appearance toggled by Share Button (5E). Use slide out animation to stretch white panel.

FIGURE 5-2:  
 UPLOAD SUCCESS

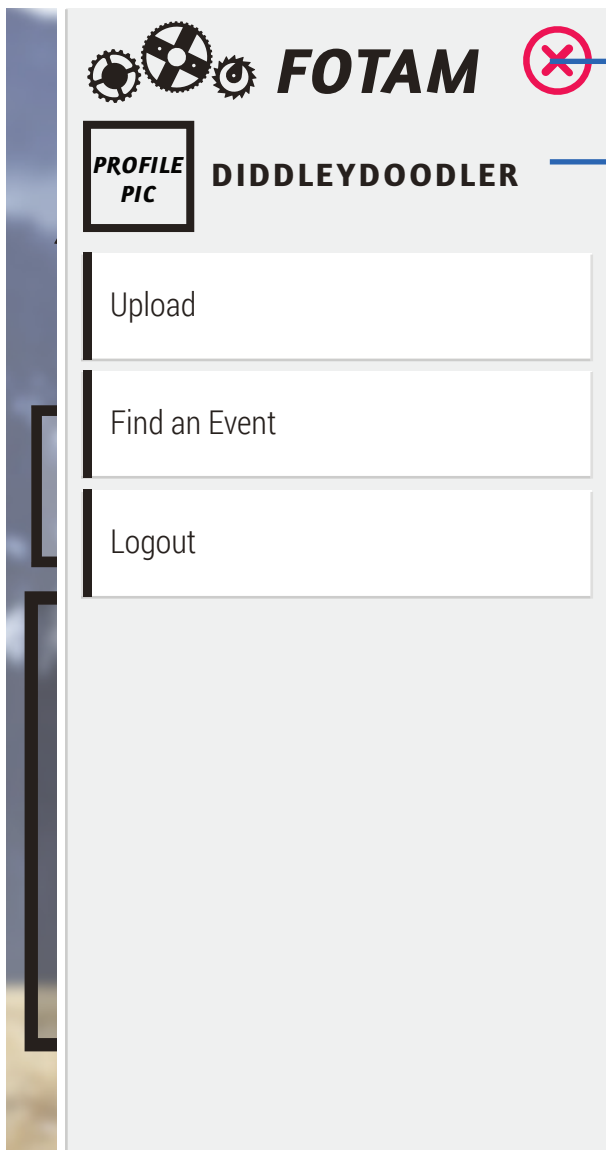

FIGURE 6-1:  
MENU (LOGGED IN)

Item 6A: Menu icon rotates 45 degrees and turns red.

Item 6B: User profile picture and username.

Menu will slide out from right to left on the following actions:

- User taps the menu icon
- User swipes from right to left

Menu will collapse on the following actions:

- User taps the menu icon
- User swipes from left to right

Upload Button will only be present if a user is logged in and checked into an event.

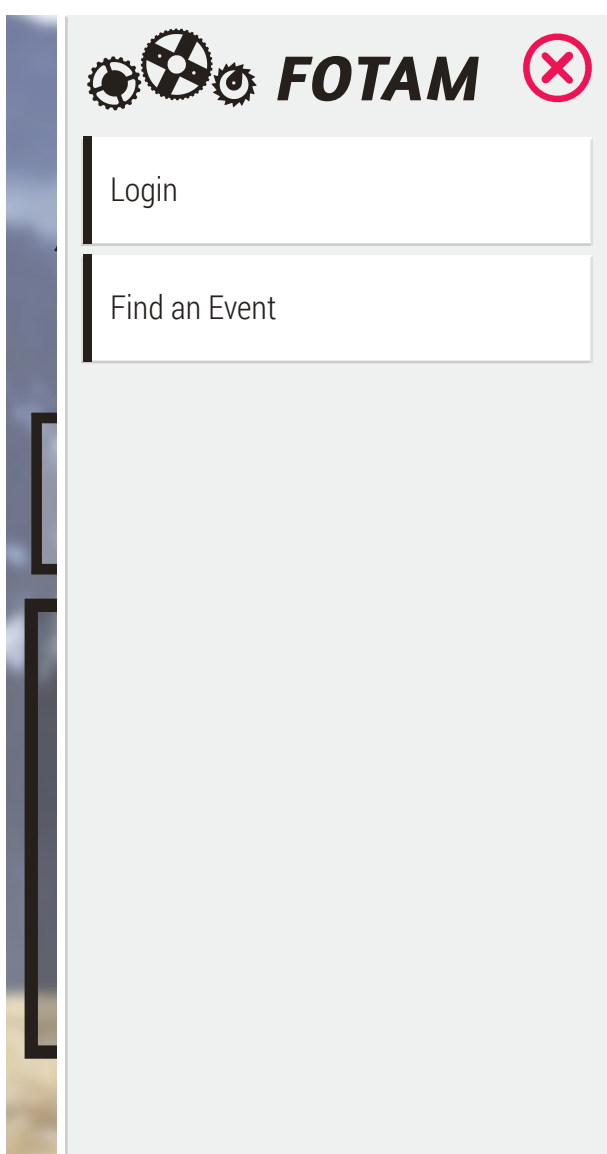

FIGURE 6-1:  
MENU (LOGGED OUT)

Only users who follow a share link will have this menu.

Item 6C: Login button. Directs user to login.fotam.com and returns to this photo.

Item 6D: Directs user to login.fotam.com and returns to "Find an Event" (FIGURE 3-1).
